Course descriptions for all courses can be found at www.instituteofphysicalart.com under Continuing Education.

NOTE IPA also offers M T W T F M S r Tr and C C r r r r r r for non-PT attendees. If you are interested in hosting one of these courses, please note below:

ER IMORT **UNAVAILABLE** d We try very hard to give you your preferred dates, but due to the logistics of the total schedule and instructor availability those dates may be unavailable.

Please research any conflicts with major events in your city, such as APTA & state conferences, sporting events, large conferences, or celebrations, which may cause problems with securing adequate hotel accommodations or would compete for attendees.

STATE CONFERENCE DATES:

EVENT DATES TO AVOID (i.e. Marathons, Univ. Football Games, Festivals):

OTHER UNAVAILABLE DATES:

PLEASE INDICATE IF SPECIAL NON-WEEKEND DATES ARE NEEDED (for religious or other purposes):

FM II, PNF II and FMLQ begin at 5:00pm on Thursday afternoon. FMUQ begins at 2:00 pm Thursday afternoon.

These courses also run all day Friday–Sunday.

FM I, PNFI and REM run all day Friday-Sunday.

VFM, CFS, GAIT & CRS start at 5:00pm Friday and run all day Saturday & Sunday.

DFA, PGP, KSC, SOP, KJD and TP are Saturday & Sunday

Courses require lab space & equipment for all hours. Please consider the impact on your facility before committing to an IPA course. Contact us with questions about space.
